*The term Permanent Cosmetics are actually extended wear cosmetics and fade in varying degrees with different individuals. Some clients will need a maintenance application sooner than others.*

**Maintenance applications, if desired after 6 MONTHS, are billed at the rate of 50% of original price. (before 6 months according to need)**

Due to varying degrees of difficulty of applications associated with lip/skin texture, scarring or wrinkles around lip lines from cold sores, age, laser treatments, medications, smoking, sun exposure, and glycolic acid creams, we cannot guarantee "perfect" results in two visits. Therefore, if irregularities in lip color develop from the above mentioned conditions, additional procedures may be necessary with additional "follow-up session" charge w/in 6mths.

Patch testing is not required by our pigment supplier, since testing is inconclusive. Wait/result six

I understand and agree to the above pricing structure and understand that there are no refunds once the color has been implanted. All taxes included.
